WXDU Reports To CMJ, Rockpool & Hits Magazine;

Hola, music gurus. WXDU is now riding the tidal wave that is 1991. First of all, there are new office hours: Greg, Tuesday and Thursday 3-5; Chris, Wednesday 2-5; Anne, Friday 1-3:30; and Madan, Friday 3:30-5:30. The station is very elated to announce our new local music series on Wednesday nights at Under the Street (capacity:300). Any national acts that need a Wednesday night N.C. gig should also give us a call. Furthermore, this weekend is our year-end countdown extravaganza with the big giveaway being a new CD player and 10 CDs--pretty hot, huh? Thumbs up for Jettison Records, the Triangle area's newest label (see Blue Chair and the Mind Sirens). Particularly arousing for me right now are Yo La Tengo live, Giant Sand, Naked City, Purr, and Mouth Music. Con amor,

Greg
